Please be advised that due to a set agenda, the committee will not address the items brought up at this time but will note them down for the Executive Committee’s review and action.

III. Information Items

IV. Action Items

A. Recommendation of Use of Reserves - ASI Website

Barnaby: Shared that the proposal has been delayed to the point of non-acceptance. They are hoping Finance will approve it so the project can move forward. Gus, who oversees the website, is in charge, and we are

requesting Finance Committee review and approval to proceed. The pages have been detailed with some specific requests.

Gus: Provided an overview of the website—why support stopped, the challenges of building a new site, and the proposed plan and budget. Shared which graphics team member will handle it and noted that a scope of work has been created. He will be working with Anand, is excited to learn and grow through the project, and once finalized, will share with the team to ensure smooth collaboration.

Jeffry: Thanks, them for the information provided and asked when it will be provided.

Gus: Answers it should be ready by the end of next month and ask for any feedback or ideas right now and of course for the future when it is ready.

Erick: Mentions putting office hours on them on the TV outside.

Gus: Send him an email and they can do it or if they'd like to incorporate a zoom link for the TV as well.

Barnaby: Asks when a good time would be to make a meeting with a more focused meeting for the website.

Gus: Shares it will for sure be in the first phase and shares a little more information on website designs.
